

## 10<sup>th</sup> Annual ART IN OUR PARK Saturday, September 21, 2019

**ART IN OUR PARK** is a family friendly, free arts festival featuring live music and dance on two stages, an Art Market, the Emerging Artists Zone, and over twenty interactive elements.

Bring the whole family! Listen to award-winning music, browse the art market, enjoy local food vendors, be creative and try your hand...or feet at one of our awesome interactive experiences. We have incredible community support at ART IN OUR PARK with over 5000 participants, volunteers, artists, musicians and presenters in attendance.

We know that you are fully invested in the communities that you live and work in and we see alignment between your values and ours. ART IN OUR PARK celebrates inclusion, diversity and the arts. We believe in creating opportunities to develop and mentor youth. We believe in community.

We extend an invitation to you to be part of this exciting event again. Please peruse the sponsorship opportunities below and consider making a commitment to **ART IN OUR PARK 2019**. All of our sponsors have logo and signage on display at the festival/workshop site, and on t-shirts worn by volunteers. In addition, our partners have their logos printed on promotional materials and the poster. We also acknowledge our community partners and sponsors in the October issue of the *Riverbend Rag-Times* and on our website [www.artinourpark.ca](http://www.artinourpark.ca)
