LEARN TO SKATE

Learn the skills to become active on the ice. Our program is designed around basic skills, movement, participation and fun! You can expect skills for speed, agility, and control. All of which will give you the skills for other types of skating.

This free program is targeted for children (ages 6-12) and their families, however, all are welcome to attend!

- Skates and a CSA approved helmet are required to participate.
- Programs will cancel at -23°C with wind chill, or if the ice is closed by the facility.
